

## PRODUCT DESCRIPTION

Spotting and staining are the most challenging aspects of maintaining the floors in your facility. Stonkleen SR9 Professional spot lifter is effective for removing grease, food stains, betadine stains and other stains.

## TYPICAL USES

Stonkleen SR9 is used in institutional and healthcare facilities.

## DIRECTIONS FOR USE

- Shake well before using.
- Blot up fresh spills and stains as much as possible.
- Spray SR9 Professional Spot Lifter on the spot and allow to penetrate.
- Wipe with a clean absorbent, repeat if stain persists.

## PACKAGING

Stonkleen SR9 is available in units.

Each unit consists of:

- (6) 1 quart containers (FG#8012A61).

## STORAGE CONDITIONS

Store Stonkleen SR9 between 60-85° F/16-30° C.  
Keep from freezing.

## RECOMMENDATIONS

- Adjust your dilution ratio to optimize cleaning performance or to effect greater economy.
- The use of impervious gloves is recommended when handling this product.

## NOTES

- Material Safety data sheets are available on request.
- A staff of technical service engineers is available to assist with installation or to answer questions related to Stonhard products specifically, or flooring problems in general.
- Requests for technical service or literature can be made through local sales representatives and offices, or corporate offices located worldwide.
